Jacquelyn Kelly, Paula Scott and Susan Jacobs were present to address any questions or concerns

Ogdensburg City School District
Board of Education
Ogdensburg, New York

from the Board.

M. Tooley thanked the Principals and Staff for compiling these reports. He asked for their thoughts on why major differences in grade level test scores were found in Reading and Mathematics. S. Jacobs and Mr. Kendall explained that these tests are skill based instead of standards based. As the students progress from September to January the questions get harder the more they get correct. This means that a trend is seen from January to the end of the year where it is harder and harder for the students to not only maintain their current level but also to increase their score. M. Tooley also expressed he was happy to hear about the UNICEF initiative and the consideration for the older students using the playground equipment at Kennedy.
