Insert the following as the last line in the paragraph immediately preceding Review Committee:

All members of any extracurricular activity/club shall be expected to adhere to the athletic policy found on pages 40, 41 regarding use of substances.

Review Committee

An Extra-Curricular Activities Review Committee will be established at the beginning of each school year to review academic eligibility. This committee will be chaired by the athletic director and may include the principal, a guidance counselor, an academic teacher, the advisor or coach of the activity, and the teachers requesting the review. All members of any extracurricular activity/club shall be expected to adhere to the athletic policy found on pages 40, 41 regarding use of substances.
